Annual Report 2018-2019

Working together to support student achievement!

- Approximately 268 community volunteers
- Over 6,997 hours
- Serving programs and special events
- Over \$177,934 worth of service*

**Dollar value as determined by the Independent Sector at \$25.43 per hour.*

Thank you to the many volunteers who make a difference in our students' lives every day.

This report includes data on community volunteers who are screened and placed through St. Louis Park Public Schools Volunteer Program, operated by the Community Education department, although our schools enjoy the support of many types of volunteers: parents, high school students, and community members. We thank and appreciate them all.
